Hey Suzanne... Is this a different version than the one you sent to me yesterday? Since I made your "bad" list, what is the supporting data / information / basis for your recommendation to the SBOE? I'd like to have my "accuser" show your evidence prior to my "trial"... Consider this a formal request for any and all information related to your recommendations, after the preliminary report of 8/15/2012. I thank you in advance... Best Regards, Dave Wissel
